

Staff Training & Upskilling

1 Day Workshop

Building Better Teams

Who should attend?

Motivated cohesive teams are the building block of successful organisations. This one-day workshop is a foundation course for both team leaders and team members. The workshop is designed to help develop an understanding of the characteristics of effective team leaders, team player and the important factors that contribute to effective and successful teams, teams that function to the benefit of both the members of the team and the organisation. You will leave the workshop with a plan for both your personal development and for your development as a team player. You will also leave with valuable ideas for developing your team back at work.

The workshop uses proven analytical and self-assessment instruments to help you identify your team player style, and so increase your effectiveness in team situations. The workshop will empower team-leaders to effectively develop a group of individuals into a high performance team.

How will you benefit?

- Get useful feedback and insight into your own team player style
- Identify ways to improve your team player style
- Better understand and appreciate differences among team members
- Identify where your team must improve to be more effective
- Learn how to facilitate the needed change
- Develop an action plan to implement the changes

What will you cover?

- Your team player style
- The strengths of each style
- The challenges for each style
- Establishing team norms
- Building team trust
- Working through the stages of team development
- Communication skills

What is included?

All courses are given by expert facilitators in small interactive classes. The manual and course materials are specific to the course and you will receive a personalised certificate on completion.
